

Reach your potential!

Tyne & Wear Young Volunteers Project - **Advanced**

June 2010 – April 2011

Who is it for?

The Tyne & Wear young volunteer's project advanced is for any young person aged 16-19 years olds who have achieved their team managers, timekeepers, poolside helpers and young aquatic organisers award and is committed to developing further.

Through this programme opportunities will be created for young people who have already taken part in the foundation young volunteer's project to build on the experience and qualifications already gained.

The aim of the project

The objective is to increase voluntary involvement within swimming clubs by young people and to increase the knowledge and expertise of young people who already help out in clubs. The young volunteers will be offered various development opportunities such as judge 1, UKCC/ASA Level 1 qualification, mentoring opportunity with qualified personnel of your choice of expertise, practical aquatic skills session and Kellogg's champion training.

Book now

Why?

- Build on you current skills and qualifications
- Gain new qualifications!
- Gain further Experience!
- Show commitment
- Volunteer at your club and give something back to your sport and club
- Experience working with experienced and qualified people in the sport
